

A photograph of a house entrance with a large '360°' graphic overlaid. The graphic consists of the text '360°' in a large, bold, black font, with a curved arrow starting from the bottom left of the '3' and ending at the bottom right of the '0', indicating a full rotation. The background shows a white house with a dark-framed glass door, a set of concrete steps with a black metal railing, and a brick-paved area. A rainbow light effect is visible on the brickwork. In the background, a white car is parked on a street next to a red building.
